## About Me

I am currently pursuing my MCA from KIT and have completed my graduation with a Bachelor of Arts from CSJMU. My dedication to continuous learning and hands-on experience allows me to tackle complex challenges efficiently. I am always eager to apply my knowledge to real-world projects and grow as a tech professional.

## Skills

- C Language
- MySQL
- Python
- HTML,CSS,JS
- Basic in JAVA
- Leadership

## Education

### Kanpur University

2020 - 2023

I hold a Bachelor of Arts degree from Chhatrapati Shahu Ji Maharaj University (CSJMU), Kanpur. During my studies, I developed strong analytical and communication skills. This background has helped me build a balanced approach to solving problems in both technical and creative fields.

### Master of Computer Applications

Dr. A.P.J. Abdul Kalam Technical University

2024 - 2026

I am currently pursuing a Master of Computer Applications (MCA) from KIT. This program is helping me deepen my knowledge in software development, programming, and advanced IT concepts. It has strengthened my technical skills and prepared me for a career in the tech industry.

## Experience

### Fresher

*I am a motivated and enthusiastic fresher with a strong foundation in programming and IT. Eager to learn and contribute to real-world projects in the tech industry.*

## Certifications

I have completed various certifications in programming and IT-related fields to enhance my technical skills. These certifications reflect my commitment to continuous learning and growth.

- Machine Learning 101
- My SQL
- Web Development With Python Flask
- The Disruptive Leader

## Project

I have worked on several academic and personal projects that showcase my programming and problem-solving abilities. These projects have helped me apply my knowledge to real-world scenarios and strengthen my practical skills.

- Developed an Amazon clone using HTML, CSS, and JavaScript to showcase front-end web development skills and responsive design.
